**NATURE OF NON-COMPLIANCE AND/OR REASON FOR MODIFICATION ACTION
BY OFFICER:**

The defendant has been compliant with his Pretrial Services supervision to date. It was recently modified to terminate location monitoring and the defendant remains in compliance.

This report is to inform the court that Pretrial Services met with the defendant on March 29, 2019 and he advised he would like to be referred for mental health services due to a history of depression-like symptoms which have gone unaddressed for years and are recently exacerbated by his pending sentencing *in this instant offense*.

The defendant is scheduled for sentencing before Your Honor on May 21, 2019 at 10:00am.

RECOMMENDATION:

- ☐ To issue a Warrant for the defendant's arrest.
☐ To issue a Summons.
☐ To continue defendant's bond as previously set.
☒ To modify the defendant's bond to include the following:

Pretrial Services respectfully requests that the defendant's bond conditions be modified to include the referral for mental health services condition to address his current needs.

I declare under penalty of perjury that the foregoing is true and correct.
